### CONSIDERATION

### ACTION

**Let's imagine all the possibilities your brand  
has to engage with consumers using these  
display innovations...**

Tap to Call

[View Demo](#)

Fake Call (Swipe left/right)

[View Demo](#)

Drag and Drop

[View Demo](#)

Apt across all verticals; Used to convey a direct message & to drive action.

JPEG/ GIF

> PLATFORM: DV360 or CM/DB

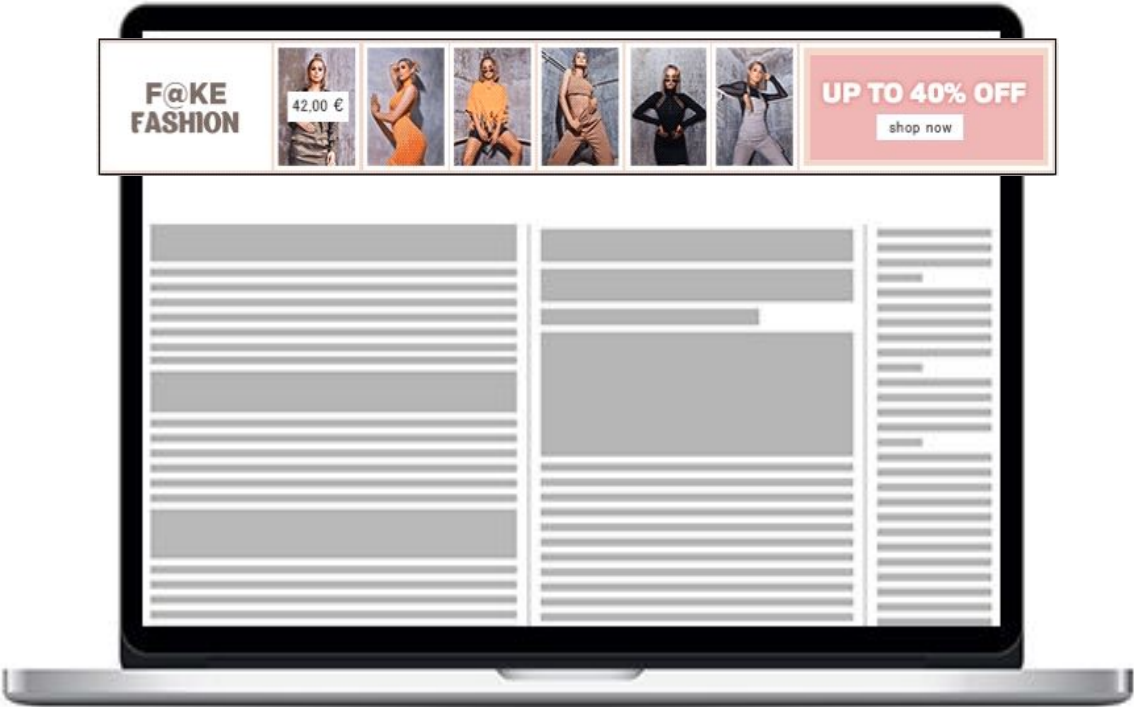

**Idea:** With the intent of being interactive and informative, this pause and play creative breaks down the basics of handwashing via a simple video.

Demonstrating the steps with text prompts informing the users of how they should wash their hands along with brand integration and a PSA at the end.

Apt for Ecommerce brands to generate sales by targeting previous visitors.

Apt across verticals to offer an immersive experience to the users based on locations.

Street view API Banner

> PLATFORM: CM/DBM

> PLATFORM: DV360 OR CM/DBM

A rich media banner for Malaysia Airlines. The background is dark blue with a white silhouette of a city skyline at the bottom. The Malaysia Airlines logo is in the top left. Below it, there are radio buttons for 'Return' (selected) and 'One-Way'. Below these are two input fields for 'Origin' and 'Destination'. Below those are two input fields for dates, both showing 'Fri Apr 26 2019'. Below the dates are two dropdown menus for 'Cabin Class' and 'Passenger' (set to 1). A red 'Book now' button is at the bottom center.

[View Demo](#)

A rich media banner for Airbnb. The top section has a red background with the text 'LIVE THERE' in white, followed by 'Book homes from 191+ countries' in a smaller white font. Below this is a dark area with a background image of a person looking at a map. It contains a 'Where to?' section with a text input field showing 'Paris, France'. Below that is a 'Check In:' section with a date input field showing 'Fri Feb 24 2017'. To the right of the date is a 'Nights:' section with a dropdown menu showing '4'. A red 'Book Now' button is at the bottom left. The Airbnb logo is at the bottom right.

> PLATFORM: DV360 or CM/DB

**Idea: Rub a dub dub** is an engaging game wherein the user is asked to rub on their screens to get rid of the germs. A clever rhyme follows along with each frame highlighting the importance of handwashing and detailing out the steps.

We end it with a simple message while placing your brand as an essential to the TA.

> PLATFORM: ADWORDS

To engage the user and deliver the message effectively.

Voice Recognition + Multiple API

> PLATFORM: CM/DBM

To promote the brand campaigns on the display network.

### ***Be Virtual, Be Sensitive***

*Times are uncertain and we'd love to help. Keeping the situation in mind, we're trying to be empathetic in our communication and creatives. Leveraging the right formats, we can still engage with our users virtually and share information.*

*Although the times are very uncertain, this is the time for brands to invest for the future. We as brands have a responsibility towards the digital audience to give them the right content and support them through these tumultuous times.*

## How Brands are Communicating during COVID-19

# What's our TAT like?

thank you
